Nominations will not be accepted after time of entry for the race day on which the trials are to be run. All horses must go through the entry box in the usual manner at the host Racetrack to enter the trials and the finals. There will be no refunds of nomination, sustaining or subscription fees for horses which fail to meet any of the requirements set forth therein. Entries to these races are received only with the understanding that the officers of the American Paint Horse Association, Appaloosa Association the Racetrack and the Oklahoma Racing Commission reserve the right to refuse the entry or the acceptance of a transfer of any entry for any cause and without notice to the subscriber. All horses shall be selected on a time basis, based upon the timing equipment in use at the host Racetrack at the time of the trials; however, should variables exist which would prevent this from being feasible, the Stewards should designate the finalists by assigning times for each participating horse based on their frame by frame analysis of the official films of the race or other technological aids available to the stewards which in their opinion will provide an accurate representation of the actual times of the individual horses. In the case of multiple trial days, the fastest five (5) qualifiers of each day will advance into the finals. If for any reason a tie exists between horses for the final qualifying position or positions, then a draw by random lot shall be conducted by the Stewards of the Racetrack or other authorized racing official to determine which horse or horses shall participate in the finals. In case of disqualification, the time given the disqualified horse shall be incrementally greater by one increment based on the degree of accuracy of the timing system than the time of the horse which he is placed behind. The decision of the Stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating and/or starting a horse in the trials or any race agree to abide by their decision.

The ten fastest qualifying horses will run in the finals. There will be no consolation.
